Finance/administration

Regional action committee: To advise ISTT on regional needs and support including hosting regional meetings. Committee will report regularly to ESC and will maintain continuous correspondence with Affiliated Societies.

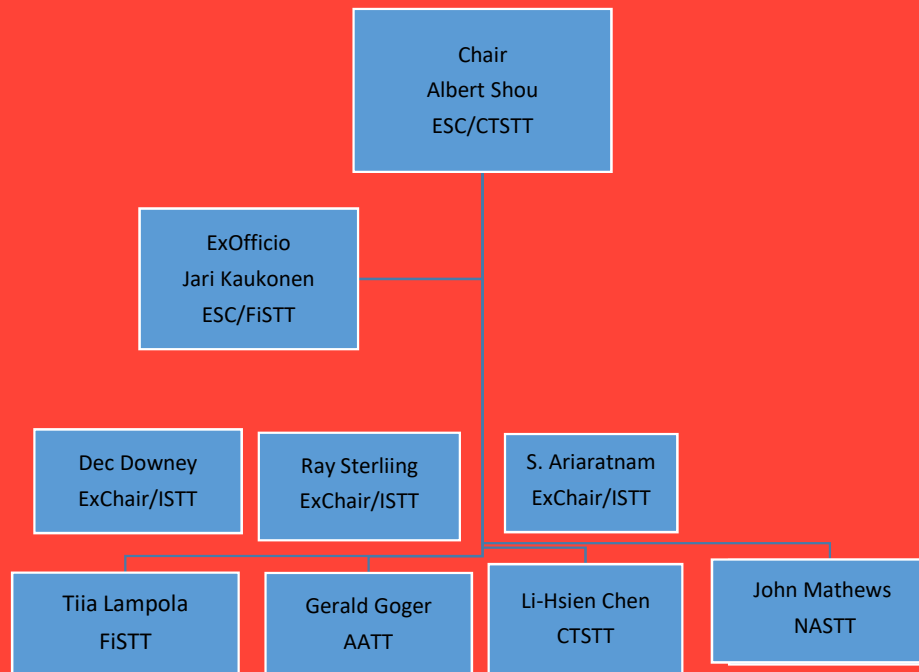

Regional support fund committee: Working closely with recommendations from Regional Action Committee, determine disbursement of funds to support further development of Affiliated Societies.

Guarantors committee: Provide liaison between ISTT Guarantors and ESC and ISTT Board of Directors. Committee will facilitate communications between Guarantors and ESC and Board. It will advise Guarantors of ESC and Board initiatives and considerations.

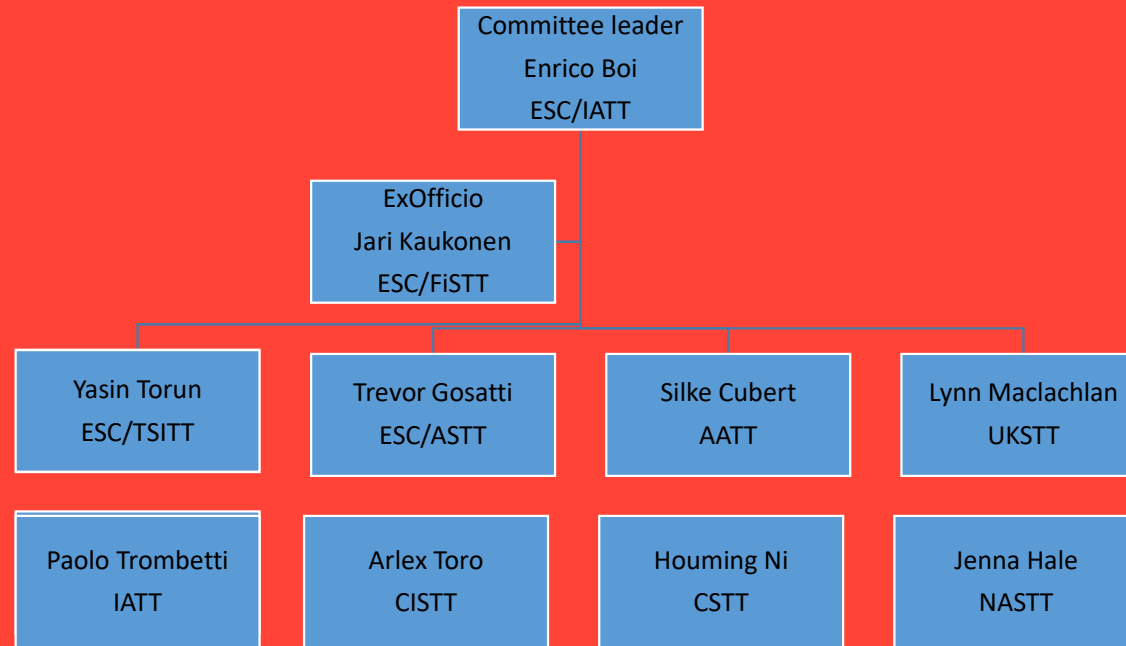

Education and professional recognition committee: To oversee initiatives to improve ISTT education, communication, and professional recognition and to set priorities among ideas for each.

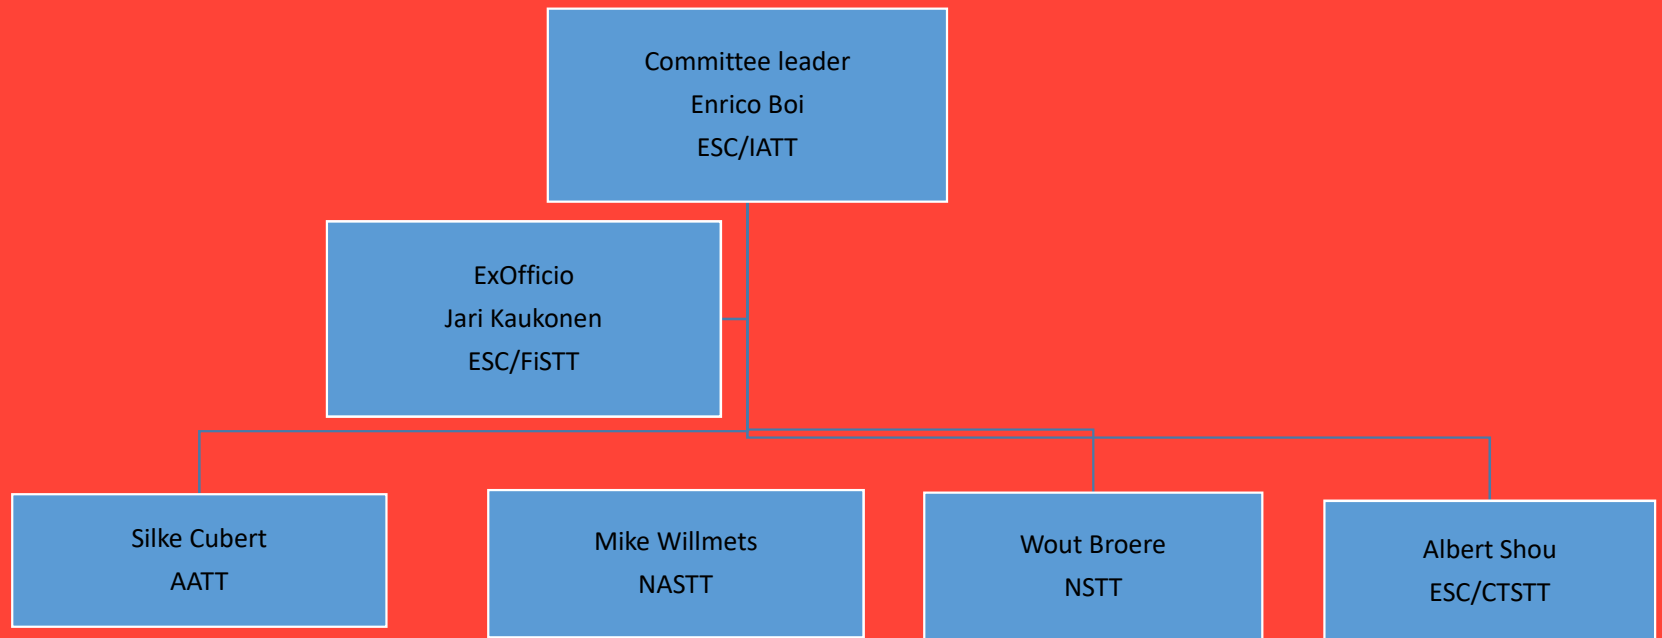

Committee number 4

Outreach and Marketing TT committee: To oversee activities that promote growth in membership and promotion of the trenchless industry.

Finance/administration committee: To oversee the financial planning, operation, and administration of ISTT. Committee will develop annual ISTT budgets and report monthly to ESC.

Next international No Dig

37TH INTERNATIONAL
NO - DIG
FLORENCE 2019

<https://www.nodigflorence2019.com/>

Reasons to attend

Why attend the 37th International No Dig?

1. Because you can see the most innovative trenchless products, equipment and services.
2. Because it is possible attend the first-rate paper sessions delivered by leading national and international speakers.
3. A **chance to be updated** on trenchless technologies applications by attending short courses and assisting to live demonstrations.
4. **You can** keep in touch with the trenchless community and exchange expertise.
5. A **must-attend conference** to create new business opportunities and to keep abreast of today's innovations and tomorrow's technology.
6. An excellent **opportunity to discover Florence**, one of the most stunning cities on the planet, an exquisite concentration of art, architecture, museum and beauty everywhere.

Congress venue

Fortezza da Basso boasts a vast multi-level surface area, congress halls, break-off meeting rooms, and external outdoor exhibition-sponsor areas. It combines a restored historic location with modern technological meeting spaces, creating a truly unique venue with **16th century walls** as the backdrop.

Congress venue

The International No Dig will be host by **Fortezza da Basso**, a **masterpiece of Renaissance architecture**, strategically located in the **heart of the city** and completely accessible by foot. It is only a few steps away from the Santa Maria Novella Railway Station and major attractions.

Congress venue:
Fortezza da Basso (red)

City center: (yellow)
15 minutes walking distance

Train station: (green)
10 minutes walking distance
